Neurology . Neurology . Neurology is the specialty dealing with managing diseases affecting the brain, spinal cord,
peripheral nerves and muscles. Neurological problems manifests as any aberrations in activities of daily living like
inability to do the day to day chores of life like speaking, walking, seeing or drinking and in certain situations even
thinking. Some of the neurological problems force a person to leave his work. A number of these are treated if
consulted early. The department of Neurology at Velocity Hospital is highly skilled department of adult
and paediatric neurologists in Surat who specialize in diagnosis and treatment of all the conditions and diseases
affecting the nervous system. The department works very closely with all the other departments related to neurology.
Our department of neurology is led by one of the top neurologists in Surat. We have a team of doctors who are
experienced & specialized in this area. . Dr Prayag Makwana Consultant Neurophysician. Neurology. . Departments .
